**INFORMATION DISCLOSURE STATEMENT**

Sir:

Applicants hereby provide a patent issued from U.S. Patent Application 10/734,609 (Patent No.7,078,218), already of record, together with its file history, which is relevant to the above referenced application.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO/SB/08a is not an admission that the listed reference is prior art. No representation is made that applicants know of the best art.

It is believed that a fee of \$180 is required, with authorization to charge this amount to Deposit Account No. 07-1969. If this is incorrect however, please charge any fees or credit any overpayments to Deposit Account No. 07-1969.

Respectfully submitted,
